RE: Callahan Oil Company by DISMISSAL ORDER
A. Jay Kenlan, Esq. Land Use Permit #2W0573-3-EB

On December 5, 1985, an appeal was filed with the Environmental Board (Board) by the Applicant, through his Attorney A. Jay Kenlan, from Land Use Permit Amendment #2W0573-3 issued by District #2 Environmental Commission (Commission) on November 6, 1985. Land Use Permit #2W0573-3 authorized the Permittee to install a bus dump station, diesel fuel island, 2000 gallon kerosene tank, additional parking lights and signs in the Town of Dover, Vermont.

The Board cancelled the public hearing scheduled for January 27, 1986 at the request of the Applicant because the Applicant indicated that it planned to submit an amendment application to the Commission, and the Board stayed the appeal pending the outcome of the Commission proceedings. On September 30, 1986, the Commission issued Land Use Permit Amendment #2W0573-4.

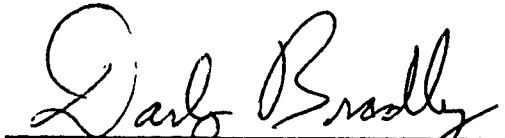

Not having been notified that the Applicant wanted to go forward with the appeal, on February 3, 1987 the Board voted to dismiss the appeal in this matter.

ORDER

The appeal in the above-captioned matter is hereby dismissed.

Dated at Montpelier, Vermont this 4th day of June, 1987.
